About Your Travel Insurance Policy

Your policy is a contract between the Insurer and you. Your insurance policy is comprised of:

- the Policy Wording including the Schedule of Cover;
- your application for insurance;
- your Certificate of Insurance; and
- any written endorsements we provide to you.

These items make up your policy and should be carefully read together. It is important that they are kept in a safe place.

The Cost Of This Insurance

When calculating the cost of your travel insurance, we take a number of factors into account, including;

- where you are travelling to;
- how long you are travelling;
- the level of cover you have chosen;
- how old you are; and
- if you have selected any additional cover.

The amount payable by you for the travel plan selected and any additional cover you choose will be shown on your Certificate of Insurance, including compulsory government charges. This policy is only valid when you pay the amount payable and a Certificate of Insurance is issued to you.

Who Can Buy This Insurance

This travel insurance is available for Australian citizens who maintain domiciled status in Australia and for non Australian citizens who have been resident in Australia for a period of not less than 3 months. You do not have domiciled status if you have permanently migrated to another country or your permanent place of abode is outside Australia. This travel insurance is only available for people aged 70 or under at the time of buying the policy.

Australians Already Overseas

Our insurance is appropriate if you are an Australian resident and are overseas intending to return to Australia on the date your policy ends. There is however, no cover in place for the first 48 hours from the policy start date.

About The Available Products

You can choose one of these three products;

It is your responsibility to ensure that you have chosen the correct area of travel, when applying for your insurance.

Travellers on domestic cruises within Australian waters, should select their

area of travel as 'South Pacific' to ensure that cover is available for emergency medical assistance and expenses.

Updating This PDS

We will update the information in this PDS when necessary. A paper copy of any updated information is available to you at no cost by contacting us. We will issue you with a new PDS or a supplementary PDS, where the update is to correct a misleading or deceptive statement or an omission, which is materially adverse from the point of view of a reasonable person deciding whether to purchase this insurance. Once an application has been accepted and a Certificate of Insurance issued, the Policy Wording in the Product Disclosure Statement in force at the time of the application is the basis of this cover.

Date This PDS Was Prepared

This PDS is effective as at 01 December 2021 and remains valid until a further PDS is issued to replace it.

Cooling Off Period/Premium Refund

If, having purchased the policy, you want to cancel it, you can do so within 14 business days of receiving the Certificate of Insurance and obtain a full refund, provided you have not made a claim and your trip has not commenced. Chase Underwriting will arrange for a refund of the amount payable within 15 business days of you cancelling your policy. We can only accept a request for cancellation via our website. Please visit our contact us page at www.travelinsuranz.com.au/contact-us.

Cancellation By US

We can cancel your insurance in any way permitted by law, including if you have;

- failed at any time to comply with your duty of utmost good faith;
- made a fraudulent claim under the policy; or
- failed to notify us of a specific act or omission as required by the policy.

If we cancel your policy, we will do so by giving you a minimum of 3 business day's written notice. We will deduct from the amount payable, an amount to cover the shortened period for which you have been insured by us and refund the balance to you.

Confirming Cover

A Certificate of Insurance which is proof of insurance, will be issued and sent to your nominated email address once you have completed your online application and you have paid the appropriate amount.

PART 1 – PRODUCT DISCLOSURE STATEMENT

Your Duty To Take Reasonable Care Not To Make A Misrepresentation To An Insurer

Before you enter into a contract of general insurance with us, you have a duty, under the Insurance Contracts Act 1984, to take reasonable care not to make a misrepresentation to us and to disclose to us every matter which you know, or could reasonably be expected to know, is relevant to our decision whether to accept the risk of the insurance and, if so on what terms. You have the same duty to take reasonable care not to make a misrepresentation and to disclose those matters to us before you renew, extend, vary or reinstate a contract of insurance.

Your duty however does not require disclosure of a matter:

- that diminishes the risk to be undertaken by us;
- that is common knowledge;
- that we know, or in the ordinary course of business as an insurer, should know;
- as to which compliance with your duty is waived by us.

Everyone who is insured under the policy must comply with the duty to take reasonable care not to make a misrepresentation to an Insurer.

If you provide information about another Insured Person, you do this on their behalf. If you (or they) don't comply with the duty to take reasonable care not to make a misrepresentation to an insurer, we may reduce the amount of any claim and/or cancel your policy. If fraud is involved, we may treat your insurance as void from the beginning.

Group Bookings

The person purchasing an insurance policy on behalf of a group must ensure that every person to be insured has been advised to read this PDS/Policy Wording and their attention drawn to the exclusions and conditions contained herein. The person purchasing the policy is required to answer all questions on behalf of all persons to be insured to the best of their knowledge and belief and should undertake all reasonable steps to obtain the required information in respect of each and every person to be insured.

Some Of The Things Our Travel Insurance Covers

Our travel insurance covers a wide range of situations. Please refer to the Schedule of Cover on page 7 for more information.

Terms, conditions and limits apply so please read the Policy Wording for full details.

Some Things Are Not Covered By This Insurance

In certain circumstances, exclusions may apply and your travel insurance will not cover you. You should read the PDS and Policy Wording carefully to ensure you understand the exclusions and conditions which apply to your policy.

For example, there is no cover for snow sports unless you have entered the dates when you plan to participate in snow sports and these dates are shown on your Certificate of Insurance and for which the relevant premium has been paid, or you have purchased an Annual Multi Trip travel insurance policy which includes 23 days of snow sports cover.

There is also no cover for any loss you may suffer as a result of any pre-existing medical condition(s) of you, your travelling companion(s), any close relative or any other person; or where you or your travelling companion(s) are travelling against medical advice. Notwithstanding the above, there are certain conditions that we may be able to cover subject to the completion of our online medical questionnaire. In the event that cover can be provided for you or your travelling companion, you will be immediately advised if there is any additional cost. The majority of conditions are covered at no extra cost.

Please read “Part 2 – Policy Wording” of this document carefully as it tells you what you are and are not covered for.

Dangerous Activities

We are always keen to make sure you are safe and enjoy your travels, however, if you choose to put yourself in a dangerous position or put yourself or others travelling with you in a situation in which a reasonable person ought to have known was dangerous, we reserve the right to exclude any loss or expenses or injuries as a consequence of your actions.

PART 1 – PRODUCT DISCLOSURE STATEMENT

Travel Advice

The Australian Government website www.smartraveller.gov.au provides detailed travel advice about all worldwide destinations. It is important that you refer to this as the policy may exclude if you travel to a destination where the Government is advising “Do not travel”.

One Way Travel

One way travel is defined as any trip which there is no expected date of return to Australia and/or there is no return ticket booked. You will be required to nominate your final destination, which will be used as the destination for any medical repatriation or curtailment. In respect of one way travel, cover ceases on the nominated expiry date shown on your Certificate of Insurance.

Extending Your Policy

Sometimes you decide that you want to stay overseas longer than you had originally intended when you bought your travel insurance. You can normally extend your policy whilst you are overseas up to a maximum period of 12 months in total from the date cover first started.

When you apply for an extension via your online account, you will be asked some questions relating to your health and your duty to take reasonable care not to make a misrepresentation to an insurer. Your answers to these questions will be used to enable us to decide whether your policy can be extended, and the premium which may be charged. Should a medical condition first present itself prior to the time of issue of the extension it may be considered an existing medical condition and therefore may not be covered by the extension. Taking out a longer duration policy up front can avoid this risk. If your policy has expired then we may be able to provide cover but you would need to apply for a new policy.

Automatic Extension Of Cover

If you have not completed your travel before the expiry date of the insurance for reasons which are beyond your control, this insurance will remain in force until completion not exceeding a further 21 days without additional premium. In the event of you being hijacked cover shall continue whilst you are subject to the control of the person(s) or their associates making the hijack and during travel direct to your domicile and/or original destination for a period not exceeding twelve months from the date of the hijack.

Automatic Reinstatement Of Sums Insured

The amount you are covered for under Sections 5 and 6 as shown in the Schedule of Cover shall be reinstated following the first valid claim under such section. Thereafter the amount payable shall be reduced by the amount of any subsequent valid claims.

Period Of Insurance

Except as stated below, cover for each separate trip under this insurance starts when you leave your home or place of business in your normal country of residence at the start of your trip, and finishes immediately when you return to your home or place of business in your normal country of residence for any reason, or on the nominated expiry date shown on your Certificate of Insurance, whichever is the sooner. For Cancellation only (Section 1), cover starts from the date shown on your Certificate of Insurance or the date you book your trip, whichever is the later. Personal Money (Section 6) will be covered from the time of collection from the Bank, 72 hours prior to departure or issue of this policy, whichever is the later.

If you have paid the appropriate Annual Multi Trip travel insurance premium the overall period of insurance shall be for 12 months starting from the date shown on your Certificate. This insurance then covers an unlimited number of business/leisure trips starting within that period, provided that no single trip is longer than the period stated on your Certificate. However, snow sports are covered up to 23 days in total.

Except as stated elsewhere, cover for each separate trip under this insurance starts when you leave your home or place of business in Australia at the start of your trip, and finishes immediately when you return to your home or place of business in Australia for any reason.

If you have paid the appropriate Annual Multi Trip travel insurance premium, trips wholly within Australia are insured if they include at least one overnight stay and a minimum distance of 250kms from your place of residence. If you have paid the appropriate premium for Deluxe each insured person named on the Certificate will be covered if they travel independently of other named Insured Persons.

If you have paid the appropriate premium for 12 months standard travel insurance, you are covered for an unlimited number of return trips to Australia within that period. There is no cover whilst you are in Australia.

Currency Conversion

Settlement of claims for expenditure incurred overseas will be made at the rate of conversation applicable at the time of the loss or expense.
